

# VFW POST 7253 NEWS

March – April 2020

## Greetings from the Commander

Greetings to all of my VFW 7253 family,

Spring is right around the corner, thank goodness.

Post elections are coming up and will be during the April VFW Meeting. Nominations will be held during the March and April meetings. Election will occur at the end of the April meeting.

All-State & All-American Post are once again within our reach this year. The only thing left to do is finish in the Top 25 for membership percentage. If your dues expire before June 30<sup>th</sup> it would be beneficial to renew now to help increase our membership %. Your anniversary date will not change so you will not be out anything by doing so.

Please visit our website at [www.vfw7253.org](http://www.vfw7253.org). The calendar located on the website will be updated as events are added and cancelled, so keep an eye on it. I hope to see everyone out enjoying themselves and participating. For those of you on Facebook, Twitter, and YouTube I have created Post 7253 profiles so look us up @derbyvfw; You can find links to these pages on our website. Also, did I mention the Pin-Ups on Tour Show is coming back this year? April 18<sup>th</sup> they will be here to put on their show, so mark your calendars. You do not want to miss this show! Tickets are available online or in the office. Tickets are free for veterans.

I hope to see everyone at the post!

Best Regards,

Jay Boyle, Commander
